Claims

- We place the utmost importance on the quick, proactive and fair determination of all our policyholders' claims
- A claim is carefully triaged at first notification to ensure the most appropriate adjuster handles the claim and as efficiently as possible
- We engage in discussions with all stakeholders, creating an inclusive and high-performance claims management culture
- We work closely with our underwriters, executive team, and legal experts to ensure we provide an efficient, high-quality claims service
- We utilise an effective Claims Management Model which has consistently outperformed the market and our peers in claims handling
