Marine Liability
We provide solutions for commercial marine operations on both a primary and excess basis. Our appetite for marine liabilities is wide with the coverages we can offer including Marine General Liability, Terminal Operators Liability, Wharfingers Liability, Stevedores Liability, Charterers Liability, Pilots Legal Liability, Boat Brokers, Marina Operators Liability, Ship-repairer’s Liability, Marine Concessionaires Liability, Marine Contractors Liability, Contingent Marine Liabilities inclusive of Commodity Traders Liabilities and Innocent Owners / Lenders and Excess Vessel Pollution. Additionally, we can also provide cover for Maritime Employers Liability (MEL) risks associated with shore-side operations and research vessels. We are able to provide this coverage standalone as well as on a combined single limit basis in circumstances where crew P&I is already in place.
