The information contained herein is intended for informational purposes only. Statements of coverage availability and scope are general in nature, subject to change and underwriting of any individual risk, and provide no guaranty or warranty of coverage, express or implied. Products and services are offered through insurance company affiliates within the Ascot Group. Not all products and services are available in every jurisdiction, and some may be available in the United States only on a surplus line basis through licensed surplus line brokers. The precise coverage afforded by any insurer is subject to the actual terms and conditions of the policies as issued. The publication and delivery of the information contained herein is not intended as a solicitation for the purchase of insurance on any US risk.

Environmental

Environmental concerns continue to rank high on the list of societal and business risks, with climate change and industry-related damages often featuring in headline news. An environmental policy from Ascot is just the start of our relationship, building on the certainty that our team brings deep understanding and broad experience to environmental issues, walking you through every step of your risk-management strategy.

Environmental
