

ASCOT KNOWS

Facultative Reinsurance

Ascot Re is a full-service facultative reinsurance operation with the ability to consider Casualty, Professional Liability, and Property risks. We can consider both individual risks as well as risks placed in semi-automatic / automatic facilities. Our capacity is only available through reinsurance brokers and intermediaries.

Reasons to Consider Buying Facultative Reinsurance

- Dedicated limits per risk (uncapped across portfolio)
- Facilitate quoting higher limits
- Manage exposure in a particular class or line of business
- Protect your reinsurance treaty
- Reduce portfolio volatility
- Industry / class expertise
